You can’t sign out right now.	It’s not your class period, or sign-outs are paused. Ask your teacher if that seems wrong.
See your teacher first.	Go to your teacher.
Not yet	Class just started. Get in line now. The first student goes at the time shown.
Line closed	It’s the last minutes of class. No one new can get in line.
Want to stay in line?	You typed your ID while waiting. Choose Leave the line if you don’t need to go.
